

Meet our new VP

Please welcome Laura

Laura Freed, RN, CCM, CTRS, is a member of the Case Management Society of America and has worked as a Geriatric Care Manager for five years in both private and non-for-profit healthcare settings. She has over 17 years of experience as a Registered Nurse and over ten years of rehabilitation experience in both acute/sub-acute rehabilitation facilities and long term care. Laura is an RN in the State of Florida, a Certified Case Manager, and Certified Therapeutic Recreation Specialist. She is a Certified Geriatric Care Manager and the founder of her own company Wishes 4 Wellness; focusing on medical management for disabled and older adults. She also freelances as a Workman's Compensation Case Manager.
